

Student Drop Off/Pick Up at Brouillet Elementary

- We thank you for your patience and for keeping our kids safe!!
- When dropping students off or picking up, please follow the direction of the arrows below; only drop students and pick them up along the curb nearest the school.
- Students wait at the flag pole in the afternoon, then come to your car when they see it at the curb.
- Please continue to pull forward as the line moves, this allows more cars at a time.
- Please keep Handicap spaces free for those with permits and do your best to not block access to these spaces.
- The driveway to the south is only for buses, daycare vans, and for those early morning drop offs to YMCA Daycare; *all other students* should be dropped off and picked up in front of the school.
